ABOUT

Sedia con scocca in poliammide lucido ad alto spessore e basi in acciaio cromato o verniciato. Quattro le versioni di base: impilabile a quattro gambe in tubolare d'acciaio, anche nella versione inox da esterno, a slitta, con o senza braccioli, in tondo d'acciaio curvato, girevole con base a colonna e a quattro razze. Lo sgabello è regolabile in altezza mediante pompa a gas.

Chair with shell in shiny, high-thickness polyamide and frame in chromed or painted steel. There are four basic versions: stackable 4-legs tubular steel or stainless steel for outdoor use. Sled base with or without arms in round curved steel, swivel desk or column version. The stool, adjustable in height with a gas piston.
